BY CASSANDRA FAVRE
STAFF WRITER

The Hancock County Board of Supervisors on Monday approved the transfer of the Hancock County Port and Harbor Commission's Public Owned Treatment Works (POTW) to the Hancock County Water and Sewer District.

Mike Barr, director of the HCWSD, said one of the district's goals is to "grow" and one of those places is at the Port and Harbor.

"We've got a good reputation and I feel that the board has a lot of faith in me and the HCWSD," Barr said. "It's a big direction for the HCWSD to go."

HCSD announces reopening plan

SEA COAST ECHO

The Hancock County School District on Monday announced its plans for the 2020-2021 school year.

The plan is threefold; a traditional schedule; a hybrid schedule; and a distance learning schedule.

"The plan takes into consideration the recommendations and guidelines of the Center for Disease Control, the Mississippi Department of Health, and the Mississippi Department of Education," Hancock

County School District Superintendent Alan De-deaux said in a press release. "Safety is our first and foremost concern of all those involved — our students, their families, faculty, staff, bus drivers, cafeteria workers, and community."

As of right now, the district plans to follow the traditional schedule with all students returning to school on Aug. 6, the release states. For parents with "medically

Masks now required at all Mississippi Casinos

SEA COAST ECHO

The Mississippi Gaming Commission on Thursday announced that effective July 3 at 8 p.m., all indoor guests of Mississippi's casinos must wear mask covering the face and nose.

The Commission stated that this move is based on recommendations from the State Health Officer to help reduce the spread of COVID-19.

"Persons may remove masks temporarily while eating or drinking or when asked by casino staff for identification," the MGC's industry letter stated. "Guests not adhering to these requirements will be advised of the requirements and warned that if they continue to disregard they will be asked to leave the property."

LOCAL WOMEN MARCH TO COMMEMORATE 100 YEARS OF VOTING

The rain on Independence Day may have thinned out the crowd a bit, but it didn't dampen the enthusiasm of a group of local women who marched on Coleman Avenue in Waveland to commemorate a century of women earning the right to vote.

"Considering the rain, I thought that it went

pretty well," Ann Steinmetz, one of the organizers of the event, said. "The important part is to recognize the passage of the 19th Amendment and 100 years that women have had the right to vote. That's what we are celebrating."

New MS Bill Furthers Protection For Animals

BY LEXIE DUENAS
ECHO JUNIOR REPORTER

Last week, Gov. Tate Reeves signed SB 2658 into law, the "Mississippi Dog and Cat Pet Protection Law of 2011."

The bill provides protection for domesticated dogs and cats.

It states that a person convicted of simple animal cruelty to a domesticated dog or cat is guilty of a misdemeanor and will be fined not more than one thousand dollars, face a minimum six-month prison term, or both.

This is only one of many offenses a person can be fined or imprisoned for.

A person convicted of aggravated cruelty will be guilty of a felony and fined no more than \$5,000 or a three-year

prison term, or both, the bill states.

"A person who is convicted of a second or subsequent offense of aggravated cruelty to a domesticated dog or cat, the offenses being committed within a period of five years, shall be guilty of a felony and fined not more than \$10,000 and imprisoned in the custody of the Department of Corrections for not less than one year nor more than 10 years," the bill states.

Furthermore — according to the bill — a person who is convicted of any of these offenses may face additional consequences including: (a) restitution to owner, (b) the cost of sheltering

Reading in the Park returns

BY NIA SINGLETON AND KYLIE SIMPKINS
ECHO JUNIOR REPORTERS

The Hancock County NAACP is once again hosting its reading program, Reading in the Park.
Ann Steinmetz — a volunteer with the NAACP — said the group has hosted Reading Buddies for the past five years. For the past two years, Reading Buddies was held in Bay Saint Louis’ Martin Luther King Jr. Park and on the porch of Waveland’s library.
This year, Reading Buddies will be held in both parks in Waveland and Bay St. Louis, she said.
Reading in the Park will be held on Tuesdays from 4 to 5 p.m. at MLK Park in Waveland on Herlihy Street;
and on Thursdays from 4 to 5 p.m. at MLK Park in Bay St. Louis on Washington Street.
Steinmetz said there is no age limit and a variety of reading materials.
“The goal is to add extra practice for reading and empower the student to be a better reader by making reading accessible,” Steinmetz said.
Steinmetz said that people can just show up and that it’s very informal.
She said, “We will find something that applies to whatever the student shows an interest in.”
Steinmetz said that reading buddies have materials relating to science, sports, fun facts, how-to books, recipes, etc.
Reading Buddies also discuss themes, plot meanings, conflicts, feelings, and respect, she said. In addition, students read aloud and buddies also discuss the meaning of words and how to better understand them.
“We let the student choose what they want to read,” she said.
Social distancing guidelines will be in place and volunteers will wear be wearing masks, Steinmetz said.

about 1848 at Seneca Falls (N.Y.), dealt with a lot more. A little rain is not going to deter a celebration. They endured beatings, they endured humiliation far beyond what we could understand, really.”

Saturday’s march marked the fourth event for the group, Steinmetz said, although, “It’s not a formal group. A bunch of us were just sitting around talking about it and decided something needed to be done. We made signs. Our first march was the Martin Luther King parade in Waveland — people could join in if they wanted to — and it’s just kind of grown from a core group of 17 people.”

The group will march again on Aug. 8, as part of the Old Town Bay St. Louis Second Saturday

Artwalk, and anyone is welcome to join. The group will gather behind the Main Street United Methodist Church at 5:30 p.m. and begin the march at 6 p.m., Steinmetz said.

“Sometimes people bring a golf cart and others walk,” she said. “They can just show up, or if they want to call or text me (at 505-259-4232) they can. They can contact me or Goldie Fairconnetue.

“We look at these parades as being non-partisan. We don’t care, we embrace everyone. Men, too.”

The group will also join the Hancock County Republican Women’s Club celebration, “Winning the Vote,” which is scheduled for Wednesday, Aug. 26, from 5-8 p.m. at the Longfellow Commu-

nity Center in downtown Bay St. Louis.

According to the HCRWC, the day’s events will begin with a meet and greet featuring food and a cash bar, as well as an opportunity to register to vote.

Parade line-up will begin at 6:30 p.m. and the parade is set to rollout 7 p.m. Golf carts will be allowed. The parade will finish up at the Hancock County courthouse.

All proceeds from the event will benefit a local non-profit organization dedicated to the welfare of women, Magdalene House.

According to a slideshow presented by the Port and Harbor Commission, the transfer includes: Plants; elevated storage tank (water tower); pipes, valves, gauges, meters, and other appurtenances; lift and pump stations; inventory of certain material, equipment, and supplies; personnel; assigned contracts, customers, and associated revenue (SABIC, DAK, tank maintenance, cellular, etc.).

The assets will be transferred at “no cost” and lease is “no cost,” the slideshow states.

As part of the agreement, HCPHC will pay the \$650,000 for a new lift station, Barr said. The existing domestic treatment plant will be demolished.

Barr said that the HCWSD will only deal with the port’s domestic sewer and water, such as toilets, sinks, basic common household sewage and nothing chemical.

The new lift station will tie into an existing main force on Lower Bay Road and will be transferred to the western treatment plant in Pearlington, Barr said, which is underutilized.

The goal is for “effective and financial control to be fully transferred to the district prior to beginning of October 1,” the HCPHC states.

Barr said that the transfer has been in the works for about two years now.

The HCSWD is a not-for-profit organization and the system pays for itself with its customer base, Barr said, and added that there will not be rate changes for existing customers as a result of this transfer.

You can view the HCPHC’s slideshow at www.seacoastecho.com.

In other action:

The board approved a motion to issue a seven-day notice to the owner of Frontier RV Park on Lower Bay Road, which the board declared a menace to public health and safety on March 2, stating that the county will reenter the property and acquire bids to clean it up.

The board approved a resolution proclaiming 2020 as the year to “Embrace the Gulf.”

The board approved a resolution authorizing the courthouse facility dog and handler with CASA of Hancock County access to all facilities managed by the county.

The next meeting is scheduled for July 20 at 9 a.m.

Keesler Federal Recognized by Forbes as Best-In-State Credit Union for 2020

SEA COAST ECHO

Keesler Federal Credit Union is the best credit union in the state of Mississippi, according to the Forbes’ list of America’s Best-In-State Banks and Credit Unions 2020. This prestigious award is presented by Forbes and Statista Inc.

This marks the third consecutive year that Keesler has been named to the Forbes list. Biloxi-based Keesler Federal is the only Mississippi credit union that has been honored since the financial publication began the ranking in 2018.

Forbes Best-In-State Banks and Credit Unions 2020 is comprised of the top banks and credit unions based on the results of independent surveys involving approximately 25,000 U.S. consumers who were asked to rate the financial institutions at which they have, or have had, checking accounts.

The ranking is based on indepen-

dent surveys of customers regarding overall satisfaction, willingness to recommend and trust. Forbes conducted more than 25,000 surveys across the United States in compiling its ranking. Only those credit unions with the highest scores were included in the list.

Survey participants made recommendations regarding overall satisfaction, and also assessed banks and credit unions in the following areas: ‘Trust,’ ‘Terms & Conditions,’ ‘Branch Services,’ ‘Digital Services,’ and ‘Financial Advice.’

“This is a high honor and we are very pleased to be recognized again as one of America’s best credit unions,” says Keesler CEO Andy Swoger. “We work hard to achieve high satisfaction from our members, so this recognition is very affirming. Our mission statement is Be Extraordinary, and this confirms that our associates are working diligently to attain that goal.”

Listen to their stories

As soon as Netflix drops a documentary I'm interested in, I'm on it. Lately, I've found some great ones to stream on Amazon and Hulu.

It's always important to continue learning about how our world and people work. But also keep in mind with any documentary, sometimes they might slant to one side.

So it's also important to follow up with your own research into a particular subject. I'm constantly looking up articles to read when I'm through with a documentary.

Some of them make me mad like "Abducted in Plain Sight," a story about a little girl who is kidnapped by her neighbor.

There are the ones that also make me cry the entire way through such as “Dear Zachary: A Letter to a Son About His Father,” a heartbreaking story about a father and son; “The Trials of Gabriel Fernandez,” a story about a vulnerable child and the system that failed him; and “Won’t You Be My Neighbor?” a wonderful biopic about Mr.

I enjoy getting to see the courtroom scenes, such as those presented in "The Staircase," and "Truth and Lies: The Menendez Brothers." Often times I wonder how much the jury understands their instructions, but that is a story for another day. It is always eye-opening, although not surprising, to see the role that politics plays in the judicial system.

I recently finished "The Innocence Project," which is about a group of attorneys who seek justice for people wrongfully convicted and "Trial by Media," which is about how the media influences trials.

Although these documentaries don't give me a full view of the justice system and how it works, I think it does provide gainful insight.

More than anything though, I enjoy learning about the human condition. What makes a serial killer take many lives; what made the Unabomber want to convey his message with the use of bombs; and what drives people to fight for the wrongfully accused and incarcerated.

I recently discovered the channel Soft White Underbelly by Mark Laita on YouTube.

According to Laita, the soft white underbelly is the “most vulnerable spot,” and after a career in adver-

Wicker Works to Rebuild and Modernize the Military

Mississippi Plays Key Role in Building a 21st-Century Force

This summer, the Senate will move to pass the National Defense Authorization Act for the 60th year in a row. This annual legislation authorizes military spending to meet the needs expressed by our top military leaders. As a member of the Armed Services Committee, I worked to craft core elements of this legislation and hope it will pass soon.

The Senate bill would give our military momentum as it continues to grow and modernize. It would keep military manufacturing companies on a reliable production schedule despite the disruptions of the COVID-19 crisis. And it would provide new support to military families who sacrifice every day alongside their loved ones in uniform.

From the Senate

By Sen. Roger Wicker

Mississippi's Role in Rebuilding the Military

The U.S. Navy needs more vessels to meet the growing threat from China and other adversaries. Mississippi shipbuilders play a critical role in keeping our Navy well-supplied. This year's defense bill would approve two submarines, two destroyers, two rescue ships, and a frigate for

the Navy. It would also allow the military to purchase four amphibious assault ships to be built in Mississippi. In addition, the Navy recently announced plans to build a destroyer in Pascagoula. These projects would bring our Navy closer to the total of 355 ships required by the SHIPS Act, a law I authored in 2017.

This legislation would also help businesses, large and small, across America that are struggling amid the COVID-19 pandemic. Our shipbuilding and aircraft industries rely on supply companies that support hundreds of thousands of jobs. This legislation would authorize funds to help protect these jobs during a time of economic distress.

MORE AMERICANS IN UNIFORM

In addition to providing equipment, the Senate bill would boost active-duty service numbers for the Army, Navy, and Air Force. Under the legislation, the Army would grow by 5,000 soldiers to reach a force of 485,000, the Navy would grow by 6,200 sailors to reach 346,730, and the Air Force would add 675 airmen to reach a total of 333,475.

The Senate also included my amendment to expand Junior ROTC programs to more high schools across America. This is the result of an initiative of mine two years ago. In 2018, I introduced the JROTC Act to support more JROTC units and help schools in rural and

reation in communities across the country, the NRPA actively supports and promotes creative celebrations through their magazine Parks & Recreation, and encour-

ages communities and townships to submit their own celebration and activity information.

The object of the NRPA and National Park and Recreation Month isn't just to encourage outdoor recreational activity and increase park visitation, but also to recognize and salute those who work in the parks system to make our park experience enjoyable and unforgettable. The beauty of a park can reside within our hearts and minds long after we have left, and children and adults alike will certainly enjoy the tranquility and peace of such natural serenity. We should consider the care

and effort that goes into maintaining our parks by the vast number of park employees who dedicate themselves to the difficult but rewarding task of park maintenance.

You can check your park websites, or activity listings in your local papers, to find out what programs and activities may be occurring in your area in honor of National Park and Recreation Month. Many communities celebrate enthusiastically with park pride days, park picnics, group hikes, park beautification activities, and much

tising said he wanted “to do something more that mattered in the world.”
In his introduction video, Laita said he wanted to “create awareness of the things that are broken in our country,” by exploring wealth inequality and education and opportunity inequality.
Laita interviews real people such as Honey the homeless teenager; the Whitaker family in West Virginia where it is rumored they are inbred; Pentecostal pastor Chris;

and Andrea, a spice addict on Skid Row.
Listening to their stories is like a punch in the gut. No matter how many times I’ve watched videos about drug addiction, sexual abuses, and homelessness, it still hits like the very first time.
On Monday night, I watched Andrea’s interview. When she was five or six years old, she was sexually abused.
In many ways, a part of Andrea died back then. She still seems like a little girl. A broken little girl who may have turned to drugs and other things to ease the pain.
Some people can overcome such abuses and live productive lives,

but some people can’t.
I plan to watch more of his videos. Their stories need to be heard.
Someway, somehow, I think our society needs to learn to quit just throwing money at the problem; quit throwing the drug addict in a jail cell; and absolutely quit ostracizing people who don’t fit into the “perfect” model of what a lot of people think people should look or be like.
Again, I have no idea what the answers are and I hate that humans hurt one another, especially their own children. If people don’t want to deal with children, then don’t bring them into this world or find someone

who will care for them. Don’t bring them into this world to abuse them.
I think that the more we hear these stories, the more we should realize that there are way more problems in this world than pieces of marble and cloth. Human lives are at stake every day. It’s our job to try and help; provide some hope; and quit being so judgmental.
I’m glad Laita decided to share their stories. It’s giving a voice to the voiceless; voices that need to be heard.

more.
Outdoor recreation is a key factor of National Recreation and Parks Month, focusing on the need for physical activity, and what better place to enjoy physical activity than during the many beautiful summer days in the month of July. Although the many activities and celebrations can be overwhelmingly fun, the importance of physical activity should not be forgotten, and should especially be instilled in chil-

dren and young adults.
The NRPA website, nrpa.org, contains more information and tools for communities to utilize in order to create their own list of activities and celebrations. Samples of proclamations and press releases are available for download, as well as a sample calendar of activities and important information to let everyone in the community know that July is National Recreation and Parks Month.

underserved areas participate. The passage of that legislation led to funding for roughly 150 new units. This year’s legislation sets the goal of having at least 3,700 units nationwide.
JROTC is a powerful tool for building charac-

ter and skill in our high school students. Statistics show that compared to their peers, young cadets have better grades, lower dropout rates, and higher rates of graduation and admission to college. I have met with JROTC cadets from across Mississippi and will continue supporting this remarkable program.
SUPPORTING MILITARY FAMILIES
Military families know that serving in the

Armed Forces is truly a family endeavor. As an Air Force veteran and the father of an Air Force officer, I understand the unique hardships our military families face.
The Senate legislation includes measures to help our military families. It would provide a three percent pay raise for all troops and would improve services for military children with special needs. It would also help military spouses

gain employment in licensed professions. Additionally, I worked to include a provision making National Guardsmen and Reservists eligible for housing at the Armed Forces Retirement Home in Gulfport.
As Congress finalizes this legislation, I am mindful of the support we owe to the men and women who keep us safe. This bill would make good on that debt.

Legislature Dedicates \$275M in Federal COVID-19 Funds to Rural Broadband, Distance Learning Programs

SEA COAST ECHO

Rural broadband expansion and K-12 distance learning initiatives will receive almost a fourth of the Coronavirus Relief Fund, under a package appropriated by the Mississippi Legislature. Mississippi received \$1.25 billion in unallocated federal aid to soften the pandemic’s health and economic blow to the State.

“This legislation brings connectivity to the world for our children, educators, and parents and is a giant leap forward for our State’s future,” Lieutenant Governor Delbert Hosemann said.

The “COVID-19 Connectivity Act,” Senate Bill 3046 authored by Senator Joel Carter, establishes a grant program to expand service in unserved or underserved areas. The program makes \$65 million available to Mississippi’s 26 member-owned electric cooperatives at a one-to-one match: for every dollar the co-ops spend, they will receive one federal dollar. Ten million is available for other service providers.

House Bill 1788, establishing the “Mississippi Pandemic Response Broadband Availability Grant Program,” provides \$50 million to the Mississippi Department of Education (MDE) for grants to K-12 schools in areas without Internet connectivity.

Additionally, Senate Bill 3044, authored by Senator Dennis DeBar, appropriates \$150 million to K-12 education to equip students with laptops and enhance distance learning in school districts across the State. Three hundred thousand dollars will be allocated to MDE to upgrade its data collection system; \$129,700,000 will be allocated to public school districts based on average daily membership; and \$20 million will be allocated to MDE to be distributed to school districts based on need.

“This is the equivalent of the initial delivery of electricity to rural Mississippi. Not only will it help prepare our

schools for the fall, but it will impact thousands of Mississippians who currently do not have access to broadband, a major hindrance for teaching, learning, and telehealth during the COVID-19 pandemic,” Hosemann said. “We are grateful to all of the individuals and entities who banded together to get these bills passed including Senator DeBar, Senator Carter, Senator

Scott Delano, the Public Service Commission, the Electric Cooperatives of Mississippi, and others.”

The remaining Coronavirus Relief Funds will be distributed as follows:

Request for Qualifications
Professional Engineering/Monitoring Services for Permanent (Non-Emergent) Hancock County Tropical Storm Cristobal. This RFQ solicits Engineering Qualifications for Three (3) Projects. HANCOCK COUNTY is requesting proposals from qualified firms and individuals for engineering services for the following Three projects: (1) Sand reclamation, including sand dunes, silt fencing and vegetation, including related items; (2) Cleaning and reestablishing outfalls; and (3) repair/replacement of the Washington Street outfall. All of these matters relate to

destruction or damage from Tropical Storm Cristobal in Hancock County. The project may be funded at least partially through federal disaster funds. Hancock County reserves the right to combine these projects and score all proposals as a single item. Engineering entities who present a proposal are presumed to be submitting their proposal for all three projects, unless the entity expressly states otherwise on the exterior of its submission. Hancock County is requesting proposals for the provision of design, project scope establishment, bidding, construction oversight and project management and closeout of those three projects, as well as completing all matters incidental thereto. Proposers shall be willing, ready and able to promptly provide the services on timelines established by the County. Hancock County will only contract with a responsible entity possessing the ability to perform successfully under the terms and conditions of this procurement, as determined by the Supervisors and/or its selection committee. The County's selection committee will consider technical issues as relates to the proposals received and the grant requirements and may obtain assistance with this review in its discretion. Responding firms or individuals should submit a statement of their qualification and experience, as well as that of all of their pertinent personnel. Proposals will be evaluated by a selection team on the basis of the following criteria and ranked by an assigned point system, being 20 points maximum per category: 1) Knowledge and experience providing services related to federal grant projects and compliance with public policy; 2) Technical competence of staff and principals (qualifications), record of past performance and ability to perform services required; 3) Personal resources and assessment ability, and entity/individual financial and technical resources; 4) contractor integrity; and 5) knowledge of and familiarity of projects such as those needed for this project. Firms will be evaluated and ranked using the above criteria. Hancock County reserves the right to negotiate compensation and terms for each of those services with the selected firm as being most qualified, with the amount of any and all costs being capped and with the County also utilizing relevant federal cost principles. Hancock County reserves the right to also separate the projects, score them separately and follow this same negotiation protocol on separate bases. In the instance negotiations with the highest-ranking qualified firm fail, Hancock County may negotiate with the second highest scoring responsive firm, and so forth. Hancock County reserves the right to reject any or all proposals and to waive any irregularities or formalities in the proposal process, and to reject any and all proposals. By submitting a proposal, the proposing entities or persons waive any right to seek damages related to their proposal and acknowledge the County's right to reject any or all proposal, or portions thereof. Hancock County further reserves the right to engage entities or firms for only some of the services listed above. All proposals should be sealed and properly labeled "Permanent Engineering Proposal - TS Cristobal." In the instance the proposing entity is only seeking consideration for less than the three projects, the proposal should expressly state this limitation on the exterior of its submission. The County is an equal opportunity employer and contractor, and specifically solicits with this proposal small and minority firms, women's business enterprises and labor surplus area firms to submit proposals. The County will further take additional further steps to assure that such minority businesses, women's business enterprises and labor surplus area firms are used when possible, including its right to utilize any of the methods outlined in 2 CFR Section 200.321. Any contract resulting from this request for proposals will contain contract provisions including those listed in Title 2 CFR Sections 200.318-316, or otherwise required by the federal funding guidelines. Proposers shall agree to be bound by those terms and to ensure grant and work compliance with the same. Proposals shall be addressed and delivered to Eddie Favre, County Administrator, no later than 10:00 a.m. on July 20, 2020. Proposals may be mailed or hand-delivered to: Attention: Office of the County Administrator, 854-A Highway 90, Bay Saint Louis, MS 39520. Proposals may also be emailed to eddie.favre@hancock.ms.us. Any emailed, mailed or hand-delivered proposal must actually be received by the County Administrator prior to the 10:00 a.m., July 20, 2020 deadline. The name and mailing address of the firm or individual submitting the proposal should appear on the face of the envelope. Please submit any questions you have concerning this matter via U.S. Mail, postage prepaid to Eddie Favre at 854-A Highway 90, Bay Saint Louis, MS 39520. MEET TOBY

This adorable boy is an a 2 year old American Staffordshire Terrier mix who was found as a stray. Toby is a very sweet guy with many wonderful qualities. He loves kids, he is great with other dogs, and he sits on command. He's also super playful & lots of fun, and he loves to ride on a golf cart. Toby walks best on a harness, as he does tend to pull on walks. We are unsure yet if he is house or crate trained, but he keeps his kennel very clean. We think the world of him, and cannot get enough of his sweetness and abundant kisses. We would like to meet Toby with the intention of making him part of your family, please call the Hancock County Animal Shelter at 228-466-4516 to schedule a meet-n-greet. Please bring your family dog(s) along for the visit to ensure compatibility. This sweet boy deserves a responsible, loving family. Also visit our Facebook page, Hancock County Animal Shelter, MS, to see more pictures of Toby and of the many other wonderful, adoptable animals looking for their forever homes.

Riemann Family Funeral Homes is proud to announce its sixth location on the Coast

SEA COAST ECHO

After serving Hancock County for over 40 years prior to Hurricane Katrina, Riemann Family Funeral Homes, Inc. is pleased to announce the opening of their new state-of-the-art Bay Waveland Chapel located at 141 Highway 90, Waveland, MS, replacing the one that was destroyed during that devastating storm.

Serving families and residents in Waveland, Bay St. Louis, lower Hancock County, Picayune and beyond, the new chapel will offer the community traditional burial services, cremation memorial services, monuments, and preplanning. And for those who have already pre planned with other funeral providers, transferring your arrangements to Riemann is as simple as a phone call.

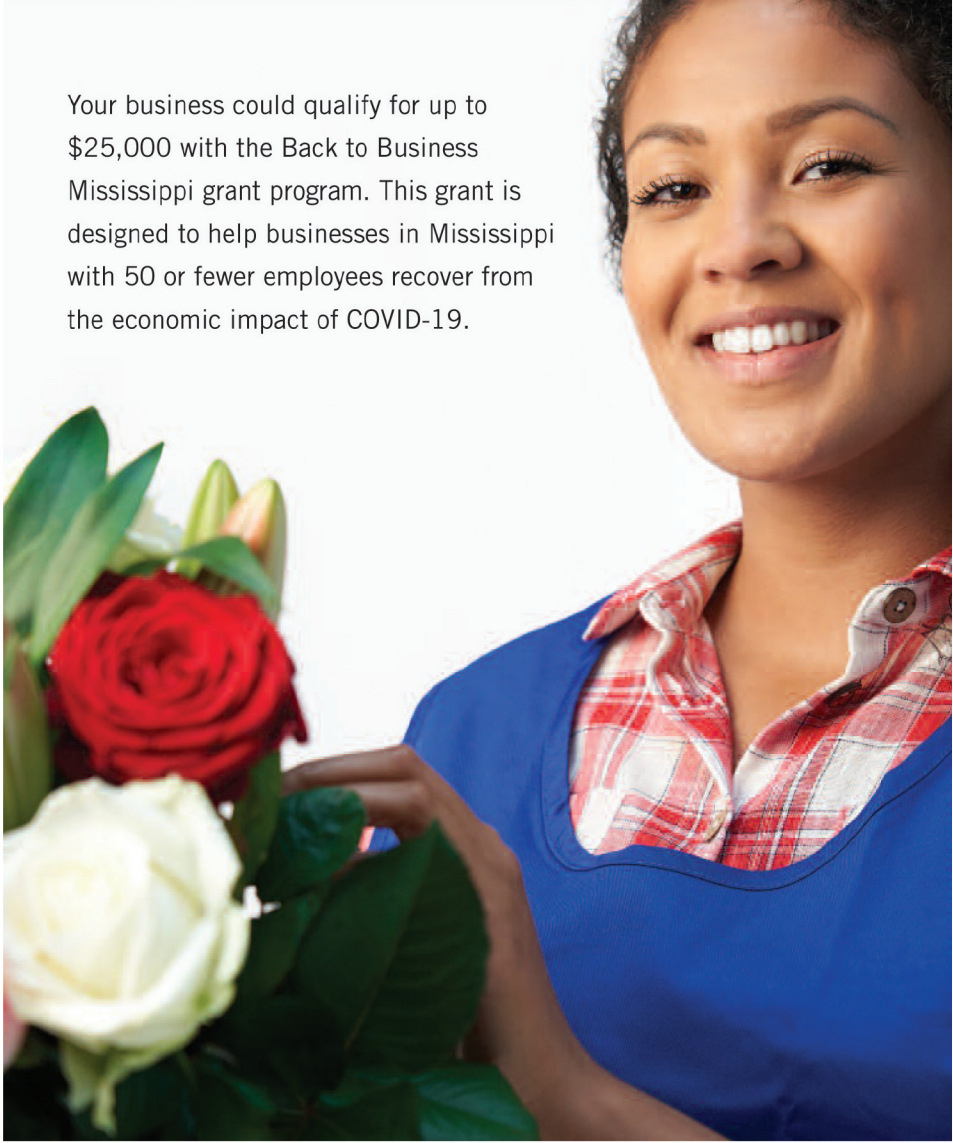

This is Riemann’s Centennial year having been founded in 1920 by Ernest T. Riemann, Sr. and Ruth Danielson Riemann. “Reopening this new location in Hancock County is a testament to our ongoing commitment to serving families with Superior Service across the Mississippi Gulf Coast and rebuilding our home,” said Chad Riemann, fourth generation funeral director and President of Riemann Family Funeral Homes. Riemann opened its fifth location in 2015 in Jackson County on Lemoyne Boulevard to fill a gap in service providers in that area.

In total, Riemann now operates six locations spanning the entire Gulf Coast, including owning and operating their own facilities for cremation. The new Bay Waveland Chapel is multi-purpose and will offer the community a nicely appointed chapel and a reception area for hosting large gatherings where food and beverages will be offered.

For more information visit RiemannFamily.com... where you’ll see “There is a Difference... Riemann Service.”

BY JOSEPH W. GEX, II
STAFF WRITER

For the third summer, the Saint Stanislaus basketball coaching staff will host a youth basketball camp July 13-17 for boys and girls in grades first through ninth (ages 6-14), and there are still a few spots left.

The camp will run daily from 9am until 12:30pm and is designed to focus on basic fundamentals, the rules of the game, drill concepts, foot work, defensive coordination, speed control, offensive coordination, player positioning, perfecting the dribble and assisting your team.

The camp will utilize both the Brother Peter Memorial Gymnasium and the Blaize Fitness Center gymnasium.

Each gym will have a director for the camp activities. Former SSC state champion basketball player Ramone Tate will be one director while former Bay High Lady Tiger state champion basketball player Christa Reed will be the other.

Reed was Mississippi's Gatorade Player of the Year, McDonald's All-American nominee, Top 50 player in the country, current Vanderbilt University women's basketball record holder, and currently plays in the European women's basketball league.

THE LIVE BAIT DEBATE

Fishing with live bait can be a touchy subject for some fishermen. Some anglers look down on people that “cheat” for using live shrimp, croakers, minnows, etc. I could honestly care less how one person fishes, as long as its legal, and their having fun.

I was on a hot trout bite recently at one of the near shore reefs, just off the beach. I had purchased some beautiful croakers that morning from B&W live bait, in the Pass Christian Harbor. We were fishing those live croakers with Carolina rigs, on the bottom. The bite was as good as you’d ever wanted. Those poor live croakers would barely hit bottom, and were instantly getting inhaled by big trout.

Fifty yards away, was a guy fishing with only artificial baits. It looked like he was throwing soft plastics, and sinking twitch baits. We never saw him catch a single fish. I guess he got aggravated? While my customers were slinging trout in left and right,

Shore Thing
Fishing Report

he cranked up and went home.

I’ve been on both sides of that story. I have put on “clinics” with live bait, and had the artificial guys put on a clinic in front of me. Our guides kinda have to have rely on the live stuff a little more. Many of our customers are on the novice side of things. I don’t mind “cheating” a little. My hat goes off to the strictly artificial guys. It’s very rewarding to truly fool a fish into biting a fake lure. I’m still bringing my live bait though...

As always, have fun and be safe.

FRIDA FEST RETURNS TO OLD TOWN!

BY CAITLIN BOURGEOIS
AND ECHO STAFF

This Saturday, July 11, marks the return of Old Town Merchants Association’s Second Saturday Artwalk in downtown Bay St. Louis — just in time for the sixth annual Frida Fest.

Smith & Lens owners Ann Madden Sandy Maggio founded the event to honor Frida Kahlo de Rivera, a famed surrealist painter from Mexico who became a feminist icon nearly 40 years after her death. The fest quickly took off, with dozens of Frida Kahlo enthusiasts vying to win the “Frida Be You & Me” Frida look-alike contest every year.

This year, due to the COVID-19 pandemic, the look-alike contest will be a “virtual” contest.

Madden and Maggio urge everyone to register through the link at their Facebook page profile or Instagram and post pictures of yourself dressed as the feminist icon all month long. Use the hash-tag #FridaFestBSL. Proceeds will be shared with the Krewe de Mayahuel.

The winners will be announced on July 31. See www.smithandlens.com for more.

Meanwhile, all the other Second Saturday festivities will continue. While the shops will be open late and all the Old Town merchants look to recapture the usual fun of Second Saturday, they are asking everyone to be cognizant of social distancing rules and be prepared to “mask up.”

As always, there are two “Hot Spots” designated for the Old Town visitors. This month’s Hot Spots are Tami Curtis Gallery and Studio at The Shops of Century Hall at 112 S. Second St.; and Salty Soul Outfitters at 126 Main St.

There are “Hot Spot” activities scheduled from 10 a.m.-7 p.m., and there will be live music from 4-7 p.m.

Celebrate the sixth annual Frida Fest in Old Town Bay St. Louis this Saturday -- and take part in the Frida Be You & Me look-alike contest all month.

Tami Curtis Gallery and Studio at the Shops of Century Hall is one of this month’s Second Saturday Hot Spots.

TAMI CURTIS GALLERY
AND STUDIO
THE SHOPS OF CENTURY
HALL, 112 SOUTH
SECOND STREET

An artist celebrating another artist is a beautiful thing to watch.

Tami Curtis, owner of Tami Curtis Gallery and Studio located in The Shops of Century Hall, allows for visitors to truly visit. While Tami sits in her studio, which doubles as her gallery, she invites visitors to watch her during her painting process and ask any questions they may have.

Tami spent much of her career in New Orleans where she put her artwork on display in Tami Curtis Gallery and Studio on Magazine Street. But, when she and her husband decided they wanted to purchase a home they came to Bay Saint Louis. “We liked the vibe and the people,” said Tami about her move.

She found The Shops of Century Hall and settled into her new digs with ease. While Tami now resides in Bay Saint Louis full time, her artwork does not. Showcasing art in galleries from Bay Saint Louis to Ponchatoula and Shreveport to Vicksburg - Tami is everywhere. A self-described lover of travel, it’s no hardship for her to pack up new paintings and check into the galleries when she’d like.

Tami is currently in the midst of a large project with the National Audubon Society. She is painting wildlife to be used for placards along Highway 90 to span the entire Mississippi Gulf Coast. Her husband, Perry Guy, will write poems to accompany each placard. The project will be turned into a book that will be available for purchase once the project reaches completion.

Tami and Perry are a

real power couple, especially where their art is concerned. Perry is an author and has written three children’s books that focus on the Gulf Coast. Tami has illustrated two of her husband’s books and their work can be found at www.the-painterandpoet.com.

Tami’s own work can be viewed on her online gallery at www.tamicurtisstudios.com where you can also purchase one of her pieces. Visit with Tami this Second Saturday, July 11th from 4 to 7 pm. She will have Bradley Bones playing music from 5 to 7 pm inside The Shops of Century Hall. A speaker will be set up on the front porch for all those who would like to remain socially distant. Please remember to bring your masks! Tami will have her Frida fans for sale again this year - \$12 for each beautifully hand crafted fan with Frida art. Visit Tami at The Shops of Century Hall at 112 S 2nd St, Bay St Louis, MS 39520.

SALTY SOUL OUTFITTERS
126 MAIN STREET

Tucked away inside the historic Stevenson building on Main Street, Salty Soul Outfitters is a stumble upon gold mine for vacationers and locals alike.

Jane Kulpeksa brought Salty Soul Outfitters to Main Street to fill a void. With no shops on Main Street catering to menswear, Jane decided to create a surf shop type feel with Salty Soul and fill it with products for men and women.

Salty Soul Outfitters opened in 2019 and has stood tall against a storm of factors that could’ve threatened to take the storm down with them. Algae bloom, COVID-19 - the little shop is still standing. Jane is no stranger to the ups and downs of retail, though. She has owned and operated Bay-Tique since 2013 and The Carroll House Bed and Breakfast from 2011 to 2020. Jane tries to keep

Salty Soul Outfitters at 126 Main St. is one of this month’s Second Saturday Hot Spots.

Salty Soul Outfitters as socially conscious as possible. She hunts for free trade, recycled and American made products to offer to Bay Saint Louis. Her shop offers some incredible name brand products that are durable and comfortable, making it a must stop for those who enjoy staying active. T-shirts with artwork from local artists and those sought after Bay Saint Louis branded tees are perfect purchases for a BSL lover.

Salty Soul Outfitters

will be hosting the Dave Mayley Band for Second Saturday from 4-7 pm. It’s going to be a great time with hors d’oeuvres, beer and Southern Girl Cookies out front. Stop in to chat and shop - 10% off will be offered to shoppers wearing a mask and another 10% off for any socially conscious purchase. Visit Salty Soul Outfitters at 126 Main St, Bay St Louis. DISTRACTIONS THAT HINDER GOD’S CALL By GARY ANDREWS

When we accept Christ as I our Lord and Savior, we accept His call to go forth from our sinful nature and do His will. There are so many of us that try and hold on to our sinful ways after giving our heart to Jesus that we miss the blessings that He has for us.

I had a close friend that I worked with for many years who accepted Christ as a young man but would not give up his worldly ways. He, as many young boys and girls in their late teens, hung out with his so-called friends and pursued the ways of drinking alcohol and doing things unbecoming of a Christian. I did not meet this friend until he, as one might say, sowed his wild oats. During his time of drinking he married a girl that was pregnant because it was the right thing to do. He wasn’t sure if it was his baby but he took on the responsibility of being a husband and a father. These were back in the days before paternity tests and the word of the mother was taken as the truth.

I met this man at church because he had gotten his life straight and wanted to raise his

child in a Christian home and environment. He knew what God wanted him to be and do and once again got in the Word of God and became a tremendous worker in the church and a God-fearing witness in the workplace and community. God had tremendous plans for this man and he was answering God’s call but outside influences kept hitting at him because of his belief and Christian stand he had for Jesus.

He reminded me of Nehemiah when God called him to rebuild the wall around Jerusalem. Nehemiah answered God’s call and the Lord furnished everything that he would need to rebuild the wall. He had outside influences that would try and get him off of what God had called him to do but Nehemiah kept his faith and would not give into temptation. He had a priest from within his own people that even tried to lure him away from God’s plan but Nehemiah again relented.

Nehemiah demonstrated an understanding of God’s call over his life. He pursued his goals with commitment and a reliance on God. He provided encouragement, organization, and

authority for the reconstruction project.

My friend resisted many outside obstacles that faced him, however it was an inside problem that finally took him down into Satan’s grip. His wife gave way to the call of other men and it tore this family apart. When this happened my friend lost his way and got out of church. He eventually remarried but never came back to the ministry of Christian witnessing and living that he once knew. He has now gone home to be with the Lord and I miss my friend and the many long talks he and I used to have. Even though he lost his desire to be a witness, he knew the Lord and I know that he is in heaven now. I often wonder how many blessings he missed out on when he quit working for the Lord here on earth and gave in to the world again.

Prayer: Lord God, thank you for the opportunity of knowing this friend and the many good times we had on earth. I pray that he is singing praises to you at this time and that you will bless those he left behind. Amen.
